

October Newsletter

Small World Learning Center, 2017

-Halloween Parties-

Classroom Halloween parties will be held in the morning on Halloween Day. Costumes are encouraged! The Pre K and Preschool combined party will be held at 9am and the Wobbler/Toddler party will be at 10:30am. Treat and volunteer sign up sheets will be posted in the lobby.

-Annual Pesticide Notice-

Small World is required to post an annual pesticide notice stating our pesticide management policy. If for any reason pesticides are needed at Small World, you will be notified via email, Brightwheel or paper handout. We will also have a posting by the entrance with the type of pesticide used, where we used it, why it was used, the date applied and a toll free number for a national pesticide information center recognized by the Michigan department of agriculture.

-Picture Day-

Picture Day is Friday the 13th of October! Ellen Dykstra Photography will be at Small World from 8am to approximately 1pm. If your child(ren) does not attend on Fridays, please try to bring him/her during that time slot to have a picture taken. The class photos will be the same as last year, headshot composites - NOT a group photo. The cost for pictures is \$25 (cash or check made payable to Ellen Dykstra Photography) due **on picture day**. The fee includes a class composite photo and an individual 5x7 portrait. Once you receive proofs you may order more portraits a la carte! Children with siblings at Small World will have individual and joint portrait proofs to choose from.

-Fall Family Carnival-

On Friday, October 20th Small World will host our very first Fall Family Carnival from 4pm-6pm! We will have food, games, crafts, a bounce house, face painting, photo ops, inflatable slide, hay ride through our walking path and MORE! ALL Small World families are invited to come out and have some Fall FUN with us!!

-KIA Field Trip-

The Pre K class has been invited to the Kalamazoo Institute of Arts on Friday, October 27th from 9:30-10:30am! The Art Istitute has planned an hour of activities for us including a story time, art project, a tour geared toward our age group and transportation! Details will be coming home soon!
