Small World Learning Center, 2017

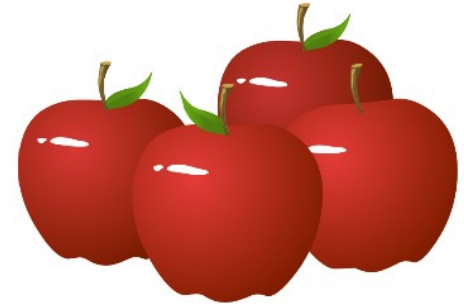

WELCOME!

Please join us in welcoming Payton, Charile and Carter to Preschool - Kelvin and Maxwell to the Infant Room - Liam R. to the Wobbler Room - And all to our Small World Family!

ANNUAL HEALTH APPRAISALS

Small World is required by the State of Michigan to obtain a health appraisal from each child every year. It is best practice to have your child's pediatrician complete a health appraisal at each well-child appointment for you to give to us. If you missed doing so, you can call your child's pediatrician to have them complete one to be picked up. Thank you for your help in keeping us compliant with licensing regulations!

GULL MEADOW FARMS

The Small World Pre K class will be taking their annual field trip to Gull Meadow Farms on Friday, September 22nd! This field trip will include a wagon ride, petting zoo, a farmhand talk, apple picking, donut & cider, pumpkin patch, games and more! We will be eating a picnic lunch at the farm. The bus will leave at 10:30AM. Parents are welcome to join! Details and permission slips will go home next week.

FALL FAMILY CARNIVAL

Save the Date: On Friday, October 20th we will host a Fall Family Carnival from 4pm -6pm. This is for ALL Small World families (older siblings are welcome!). We will have food and games set up both inside & outside (weather permitting). Details will be coming soon!
